The Application Process

Entry to Old Scona Academic (OSA) is by **application only**. All applicants must:

1. Attain a *combined* average of 80% or higher in Grade 9 Language Arts, Social Studies, Mathematics, and Science based on the most recent *cumulative* progress report or *cumulative* interim report.
2. Write a standardized entrance exam (see side bar). Interested candidates (grade 9 or 10) must pre-register on line @ oldscona.epsb.ca click on the Registration tab. Students must bring: *an HB pencil, an eraser, and current school photo identification*.
3. Complete the student portion of the application and submit it to your principal or counsellor to complete the school report (back page of application). **The completed application form and up-to-date marks must be sent by your school to OSA by February 22, 2019, 12:00 p.m. We will accept applications starting on January 31, 2019.**

Applicants **MUST meet all three requirements** of the application process in order to be considered for admission. Failure to do so by the required deadline will result in a student's application being considered incomplete and it will not be assessed for admission. **If you encounter any difficulty in completing your application, please contact either your junior high school counsellor or Old Scona Academic.**

The Ranking and Selection Procedure

The ranking of applicants will be determined on the following information:

- The applicant's most recent Grade 9 progress report or interim report using the four subjects of Language Arts, Social Studies, Mathematics, and Science. The combined average must be 80% or higher (weighting 45% of total ranking). This weighting is further made up of a sub-weighting of L.A. (25%), Math (25%), S.S. (25%) and Science (25%).
- The score achieved on the standardized entrance exam (weighting 45% of total ranking).
- A confidential character assessment completed by your principal or principal-designated staff member (weighting 10% of total ranking).
- Students entering Old Scona Academic are admitted on a merit basis, starting from the highest aggregated score and working down until the capacity of approximately 120 students is attained. Students who are accepted will be notified by telephone with a follow-up confirmation letter sent to their residence.

Old Scona Academic is a maximum-capacity school. Each year we have at least four times the number of students applying as we are able to accommodate. After ranking and selecting prospective students, the application process will be closed. The entrance process will be completed in time for students to apply to other EPSB schools, if needed.

Due to the volume of applications, results of the entrance exam will not be released to applicants. Entrance exam material will be shredded and placed in a paper recycle bin. In keeping with the EPSB accommodation regulations, students living outside the boundaries of the City of Edmonton on February 22nd, 2019 will not be considered for placement until all in-boundary students have been considered.

Note: If any documents or information submitted for entrance are found to contain false information, the application and/or admission could be revoked.

School Recommendation

This can be filled out by the Principal, Assistant Principal, Counselor or a Teacher that knows the student well. This information is important in the selection process for Old Scona Academic. Since our small size obliges us to limit enrolment, it is important that we are able to make an informed judgement as to which candidates can best benefit from our program offerings. With this purpose in mind, please complete the ratings below.

You may wish to consider the characteristics of the IB Learner Profile as you complete the report: inquiring, knowledgeable, critical thinker, communicator, principled, open-minded, caring, risk-taker, balanced and reflective.
